ASHP will return to New Orleans to celebrate 50 consecutive meetings of excellence in professional development and clinical pharmacy! We are excited to offer our Midyear meeting attendees and exhibitors a world-class convention center where you can find Networking, Opportunity, Learning, and Advancement; all while enjoying one of the most vibrant cities with endless entertainment options.

Conveniently located in the central region of the US, and home to a wide variety of hotels, New Orleans is easily accessible and offers accommodations for every taste and budget.

America's most authentic city is an award winning location and received: The Top Destination in the World for Nightlife in TripAdvisor 2010 Traveler's Choice®, ranked third in Food & Wine destinations, ninth for Culture and Sightseeing, and 15th in the Top 25 Destinations in the United States.

Typically mild winters allow for plenty of outdoor adventures and activities around the city, and New Orleans is a city rich in history and culture with traditions that are woven into the fabric of everyday life. Enjoy the convenience of Canal Street, Riverfront lines, and the French Quarter which boasts more than 100 square blocks of art, dining, shopping, entertainment, and architectural treasures.

ASHP offers the most contemporary way to both prepare for and keep your specialty certification current! Our approach is multifaceted, scenario-based and interactive—opposite from the didactic learning norm. Our highly-rated programs will have an immediate and lasting impact on your practice.

For Review

Live Pharmacotherapy Specialty Review Course

December 5–6 | Hilton New Orleans Riverside

This complete two-day course provides 16 hrs of CE and a robust preparatory curriculum for the high-level pharmacy professional planning to take the examination.

Our review course participants follow “patients” in real life scenarios from initial presentation, medical history, risk factors, and complications throughout their treatments and outcomes. Participants learn as they apply various treatment options based on national standards and guidelines. Strong emphasis is placed on the thought processes needed to solve patient care problems in each therapeutic area. As patient cases are discussed, faculty members are there to present the best answer to questions that illustrate key concepts.

Highlights of the ASHP review course include:

- Complete coverage needed to confidently prepare for the exam in **only 2 days!** Saving you time away from work and home, and drastically reducing travel expenses
- Interesting, application-based review course approach using complex, case-based interactive learning for high level practitioners and specialists

- Includes regulatory and population health issues, which account for 20% of the BPS exam
- Every topic area contains public health and patient advocacy information
- Participants are given handouts that can be downloaded and/or printed prior to arriving onsite and have access to a practice test containing 100+ practice questions with explained answers and links to original references
- Developed by leading continuing education provider in the country and leading preparatory content experts and faculty

Registration Rates

This Review Course is held in conjunction, but separately, from The Midyear, and requires an additional registration fee. You do **not** have to be registered for The Midyear to attend.

Exhibit Program

Immerse yourself in an exhibit hall featuring the latest product developments and technological advancements in hospital and health system pharmacy. The Midyear includes a vast exhibit program which provides you the opportunity to compare products, attend demonstrations and have questions answered from over 300 companies, both domestic and international.

Visit www.ashp.org/midyear for the most current listing of exhibiting companies.

Hours

Monday – Tuesday 11:00 a.m.–3:00 p.m.

Wednesday 11:00 a.m.–2:00 p.m.

Intelligent Pharmacy Pavilion

BACK AGAIN BY POPULAR DEMAND!

The Intelligent Healthcare Association (IHA), in a partnership with ASHP, is excited to introduce the first-ever Intelligent Pharmacy Pavilion (IPP) at the Midyear Clinical Meeting.

This pavilion features demonstration rooms that showcase the latest technologies being utilized in today's hospitals and ambulatory care pharmacies. A tour through the IPP will allow attendees to observe the integration of medication management technology and patient care delivery. It features management systems and emerging technologies that improve patient safety, increase operational efficiencies, and streamline the pharmaceutical supply chain.

The Intelligent Pharmacy Pavilion is located inside the exhibit hall.

Pre-Meeting Workshops

Get a jump start on learning—participate in a workshop! You must be a full Midyear Clinical Meeting registrant and pay a separate fee to attend pre-meeting workshops. Registration fees for full-day workshops include lunch and refreshments during breaks.

Enrollment is limited and workshops fill quickly, so register soon. Registration must be received on or before **November 30**. ASHP reserves the right to cancel a pre-meeting workshop for reasons that make it impractical or unreasonable to conduct. If that occurs, each registrant will be issued a full refund.

Saturday, December 5

Residency Program Design and Conduct (RPDC)

Time: 8:00 a.m.–5:00 p.m.

Workshop Fee: \$340 (Lunch included)

Review accreditation standards for the design and conduct of a residency program, including requirements related to program purpose, competency areas, goals, and objectives, program structure, learning experiences, orientation, use of preceptor roles, evaluation, resident development plans, and continuous residency program improvement. Participants are encouraged to bring materials from their program, if available, for individualized feedback and review during the workshop. Take advantage of the opportunity to get your questions answered and share ideas with your fellow participants.

You must select one of the following areas when registering:

- **RPDC A: PGY1 New Programs**
(Limit 80 participants)
- **RPDC B: PGY1 Existing Programs**
(Limit 100 participants)
- **RPDC C: PGY2 New and Existing Programs**
(Limit 80 participants)

Sunday, December 6

Basic Statistics: A Non-Threatening Approach to the Use of Statistics in Clinical Trials 2015

Time: 8:00 a.m.–5:00 p.m.

Workshop Fee: \$340 (Lunch included)

Limit 40 participants

Learn how to apply basic statistical tests to research reports typically seen in medical literature. This workshop explores the most commonly used tests including t-tests, analysis of variance, tests for equivalence, Z-test of proportions, odds ratios and relative risk ratios, chi-square, correlation, and linear regression. Practical examples and problems drawn from scientific research will be used to illustrate statistical concepts and mathematical procedures. Emphasis is on the appropriate use of statistics and the interpretation of their results.

Are you in your first five years of pharmacy practice? You're probably still finding your way—and your concerns, needs, and interests aren't the same as those of your colleagues who are more seasoned.

This programming was developed by ASHP to address the unique needs of residents and new practitioners at The Midyear. As a conference-within-a conference, this is the place for you to explore workplace challenges, mentorship, and clinical issues in an encouraging, motivational atmosphere.

Best of all, entry into this programming is included in your full Midyear registration fee!

Ensure your success. Spend your weekend with other residents and new practitioners, and see your way to a great future.

Career Development

It can sometimes feel like you're in over your head when it comes to advancing your career. Learn tips and tricks that your colleagues have used to not only make your career more successful, but more rewarding too.

Mastering Your Clinical Practice

You've earned the right to be a member of the healthcare team and, on a day-to-day basis, must demonstrate you are competent, professional, intelligent, and credible. Learn ways to improve your clinical skills, regardless of your area of practice.

Events for Pharmacy Technicians

If you're a pharmacy technician, this is your opportunity to develop your potential while networking with colleagues at the world's largest gathering of pharmacy professionals. Although all education sessions are open for you to attend, you'll want to pay special attention to sessions and activities of particular interest: the ones marked with a "T" at the end of the ACPE Activity Number.

Opening General Session

Monday, December 8

Special Guests

President and Mrs. George W. Bush

The Keynote Session at ASHP's 50th Midyear Clinical Meeting will feature remarks from President and Mrs. George W. Bush. During a moderated question and answer session, the Bushes will speak about their eight year tenure in the White House.

Tips for Attendees:

Arrive early...space is on a first come, first serve basis. Allow for travel time.

Plan ahead...plan to register and pick up your badge before Monday morning to avoid lines. You must have a badge to attend the session.

Over 150 education sessions

Attendees can earn over 30 hours of continuing education credit at The Midyear Clinical Meeting 2015. With over 150 educational CE activities to choose from, there's something for everyone—from student to new practitioner; technician to pharmacy director. Our educational goal for this meeting is to provide information and instruction on a variety of topics to enable pharmacy practitioners to provide quality patient care across all practice settings.

See you in NOLA!

Unless otherwise noted, most sessions and all exhibits will be held at the Ernest N. Morial Convention Center, conveniently within walking distance of most hotels. Please check The Midyear App for session room assignments.

Register Early and SAVE

VIP (Very Important Pharmacist) early bird rates—will be available until October 22. Online registration closes on December 3.

ASHP-discounted member rates also apply to members of the Canadian Society of Hospital Pharmacists.

After receiving your registration and payment, ASHP will send you a meeting confirmation. Please check your confirmation to verify that includes all activities for which you have registered.

International Attendees

ASHP will provide an Official Letter of Invitation for international attendees of Midyear 2013. Contact Customer Service at 866-279-0681 or email custserv@ashp.org.

Travelers are advised to apply for visas well in advance of intended travel dates. Visit www.state.gov, the official website of the U.S. Department of State, for information about visa requirements, the locations of U.S. embassies and consulates worldwide and wait times for visa interview appointments and processing.

Registration Kiosks Keep the Action Moving

With our self-service registration kiosks, you'll spend your time at Midyear 2015 networking, learning and maybe grabbing a beignet or two, not waiting in line. If you're pre-registered, just scan the bar code on your confirmation letter.

Kiosks also can be used for on-site registration during the following times:

Saturday–Monday.....7:30 a.m.–5:00 p.m.

Tuesday–Wednesday.....7:30 a.m.–5:00 p.m.

Thursday.....9:00 a.m.–12:00 p.m.

Target Audience

Activities are planned and structured to meet the needs of pharmacists and/or pharmacy technicians in a variety of settings.

Continuing Education Credit

Registrants may earn up to 30 contact hours (3.0 CEUs) at the 50th ASHP Midyear Clinical Meeting and Exhibition. Visit www.ashp.org/midyear for a complete schedule, including learning objectives and faculty information.

The American Society of Health-System Pharmacists is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

Accommodations and Travel Arrangements

Reserve a Room Today and Receive Special Benefits!

ASHP has worked hard to provide attendees with a variety of quality hotels and competitive rates to select from in New Orleans. Hotel reservations will be accepted until November 5 at 6:00 p.m. Mountain Standard Time (MST) or until the room block is sold out, whichever occurs first.

Book today and take advantage of the discounted rates and special ASHP benefits during your stay, such as:

- complimentary in-room internet access
- complimentary shuttle service to the Convention Center for 6 days
- protection in the event the hotel oversells its rooms, and more!

Orchid Event Solutions, ASHP's ONLY official housing company, is ready to assist you. For suite information (rates and availability) e-mail ASHP@orchideventsolutions.com.

Student Housing Information

We set aside rooms at several Midyear hotels just for students! Reservations will be accepted by Orchid Event Solutions, ASHP's official housing company, on a first-come, first-served basis until **November 5th at 6:00 pm MST, or until the room block is sold out**, whichever occurs first. Check out the list of hotel and special rates on the student page of The Midyear website.
